A. WILSON ENGINEERING LTD.
WILSON SUPER MOVE
SELF-LOADING BALE TRAILER FOR ROUND BALES

The Wilson Super Move will revolutionise your bale handling!

The Wilson Super Move offers you the opportunity to make your bale transport extremely effective, safe and very gentle. There are no more loading vehicles or flat trailers needed. The time-consuming lashing of the load is eliminated.

> Benefits

- Carrying wrapped and unwrapped Bales
- Loading in 3 to 4 minutes
- Unloading in under 1 minute
- No straps required
- No second loader needed
- No second driver
- Fast removal from field (preventing bird damage)
- Gentle handling of bales
- High daily transport rates
- Gentle on wrap

> Options

- Steering Axle
- Air Brakes
- Sprung and Steering Drawbar
- Selection of Tyres available
- K 80 Spoon
- Reverse Lights
